

UC MASTER GARDENER PLANT SALE*

and Gardening Information

May 4, 2019 • 9 am - Noon

Find a variety of vegetable plants, plus you can get your gardening questions answered by the University of California Cooperative Extension (UCCE) Master Gardeners of Riverside County.

Also tour the **LandUse Learning Center**, a 3-acre demonstration garden of sustainable practices for native habitats, urban areas, and agriculture. Pick up plant lists for each area, and find the *waterwise* plants that you might like to have for your yard.

For more information, please contact Erin Snyder at (951) 683-7691 ext. 207 or at snyder@RCRCD.org

*All sales are by cash or check;
no credit cards or debit cards.

Free Admission
