

Sweep and Healthy Soils Program

Back to Back Workshops

Come learn about the CDFA's SWEEP and HSP!

This workshop will focus on the SWEEP and Health soils program applications specifically for the farmers and ranchers, and how to apply for the program. Grant Applications are **due March 8th** and are **first come first serve!** Farmers can apply with no income limit. If you are thinking of applying, do so **now!** We'll walk you through the application process and offer one on one technical assistance through the application period. For more information contact Stephanie Ratner at Stephanie.Bateman@ca.nacdn.net or call 530-671-0850 ex 5868

The Healthy Soils Program is part of California Climate Investments, a statewide program that puts billions of Cap-and-Trade dollars to work reducing greenhouse gas emissions, strengthening the economy, and improving public health and the environment — particularly in disadvantaged communities. SWEEP and HSP are also funded by the California Drought, Water, Parks, Climate, Coastal Protection, and Outdoor Access For All Act of 2018.
